Business-class printers

Front desk service

Craft on draft

Professional & social events

Unique common areas

Private phone booths

Fresh fruit water

Mail & package handling

Bike storage

Community managers

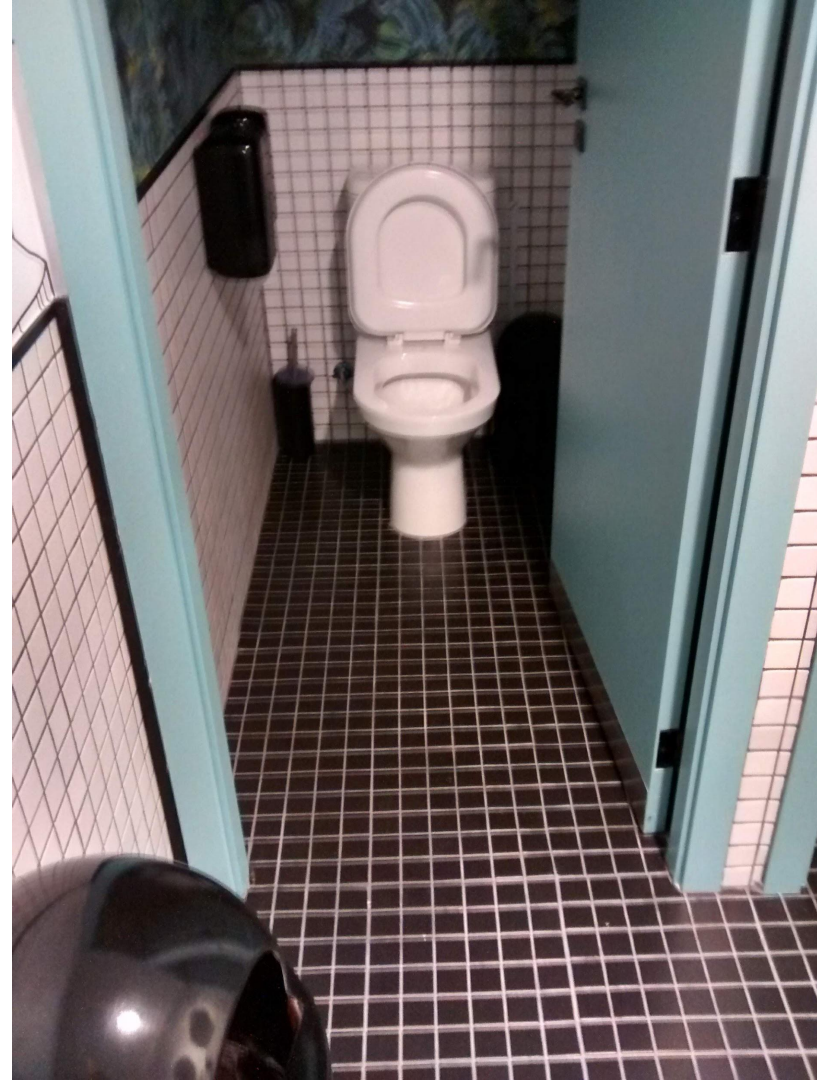

Office supplies

Global network

Except...

The Bathroom!

Invented in

1592

And didn't change much since.

Source: <https://www.sciencefocus.com/science/who-really-invented-the-flushing-toilet/>

**It's time to improve the
flush toilet!**

VeryFlux

Super clean

Self-cleaning

No clogging

No splashback

User Admin

The Toilet will be vacant in 15 minutes.

Reserve it for me and clean it before I arrive.

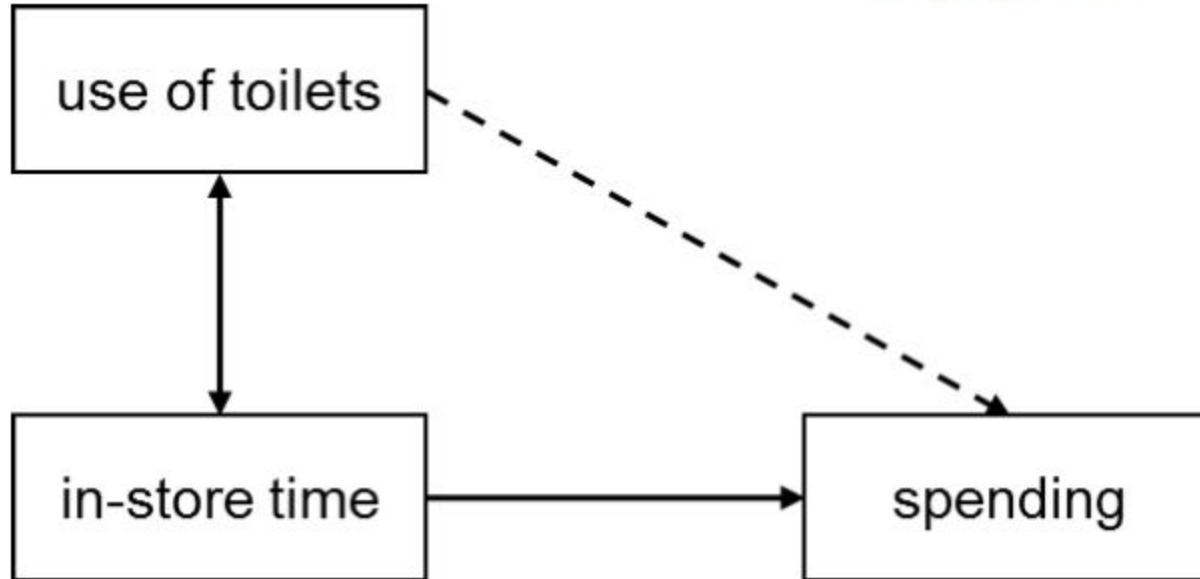

Missing paper on toilet 57.

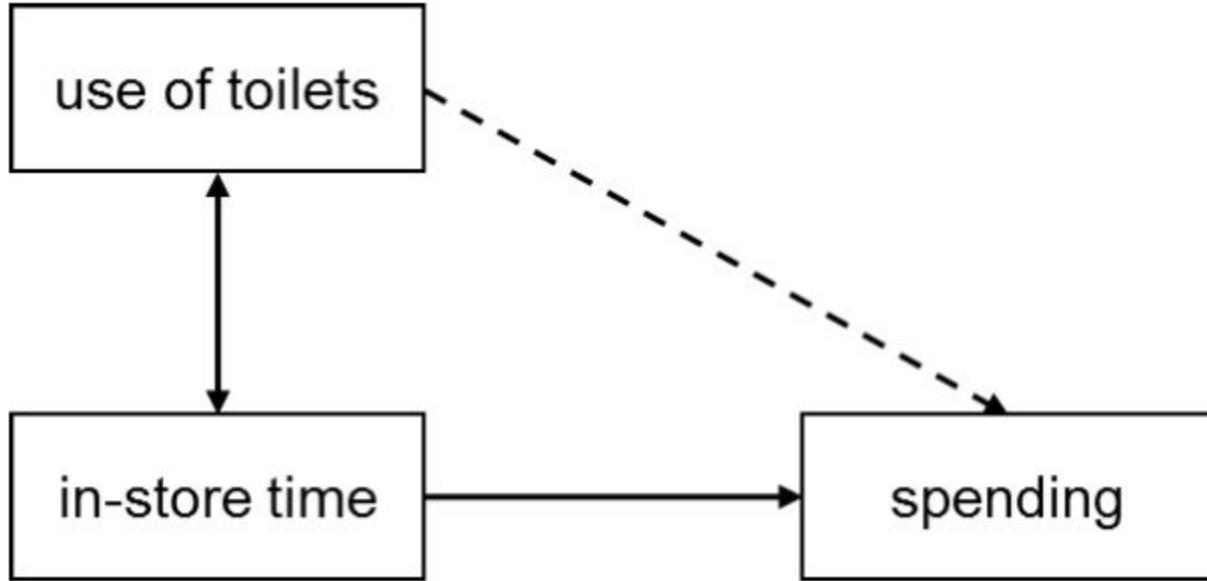

When nature calls: The role of customer toilets in retail stores

Samuel Piha , Juulia Räikkönen

<https://doi.org/10.1016/j.jretconser.2017.01.005>

Better toilets

Feel better

Work better

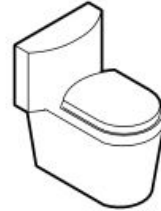

The missing part

What about hotel chains?

- Specially-designed beds with an 8-inch mattress and blackout curtains
 - 12-inch shower and specially formulated toiletries
 - Power sockets and free high-speed internet access
 - 32-inch LEDs/LCDs TVs with DTH and Netflix™
 - Lavish wooden flooring
- Free, superfast Internet connectivity – log in once and stay connected throughout the building
 - Sustainable, power-efficient LEDs and green-rated ACs
 - 24x7 security and fire safety
 - The Drawing Room café
 - Conference Room
 - Whiteboards (and an endless supply of markers)
 - Free printer, business services, magazines
 - Lots of power sockets!

Where is my super clean toilet?

New York Times - Bathrooms are being scrutinized not just by me, but also by millions of travelers now accustomed to using websites and social media to voice their opinions. After all, the hotel bathroom is more than a place to freshen up. It's considered an indicator of how upscale, current and clean a hotel is, an extension of its identity.

<https://www.nytimes.com/2013/12/15/travel/inside-the-evolving-hotel-bathroom.html?hpw&rref=travel&r=0>

Better bathrooms means..

Improved community

- Better mood

Lower cost

- Less cleaning routines

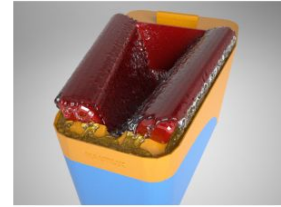

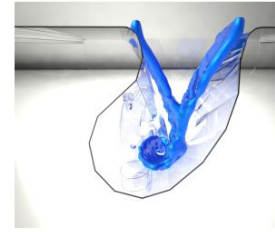

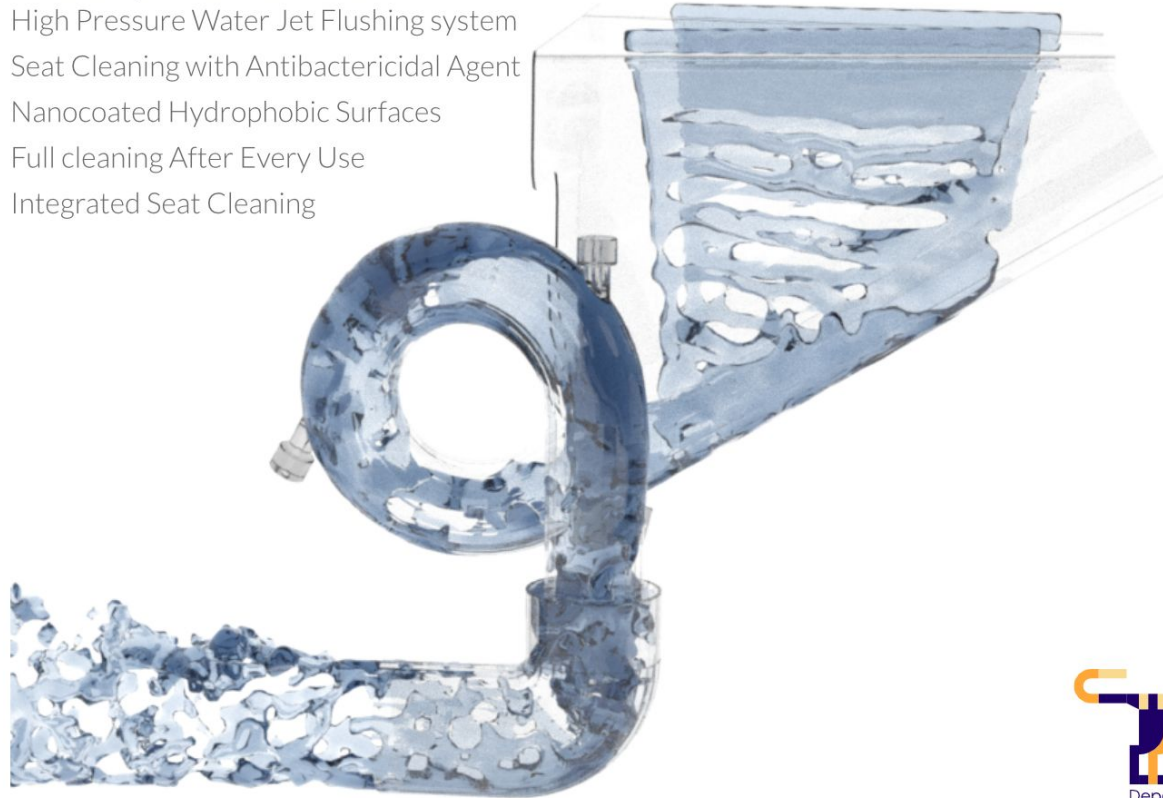

Marketing

- More clients

VeryFlux
