length

size(M)

六角8

Lite Edition

グリップ取り付けイメージ

$$\frac{8}{3}$$

The shape of the clip is just one example. By using the spacers embedded in the clip, it is possible to attach accessories freely.

Tips

Be careful with the FPC cables, as they can be a bit overwhelming.

I'll stick out.

Both the earphone jack and HDMI output are available.

About Parts

製品名	URL	memo
