Big East Game Thread: Marquette Golden Eagles vs DePaul Blue Demons

The Golden Eagles try for their first three game winning streak of the season when they host the Blue Demons on Saturday.

Marquette vs DePaul: College Basketball Betting Lines, Odds and Trends – January 23, 2021

Big East opponents meet when the Marquette Golden Eagles (8-6) host the DePaul Blue Demons (2-5) at Fiserv Forum, tipping off at 6:00 PM ET on Saturday, January 23, 2021. The Golden Eagles are 9.5-point favorites in the game, the first matchup between the teams this season. The matchup has a point total of 142.

The betting insights in this article reflect betting data from DraftKings as of January 23, 2021, 2:17 AM ET. See table below for current betting odds and [CLICK HERE](#) to bet at DraftKings Sportsbook.

MARQUETTE BETTING INFORMATION

With a mark of 5-8, Marquette has a losing record against the spread this season.

The Golden Eagles have a winning record against the spread when favored by 9.5 points or more, going 2-1 this season.

Marquette and its opponents have gone over the set over/under in 6 of 13 games this season (46.2%).

Against the Spread (ATS) records are only reflective of games that had odds on them.

DEPAUL BETTING INFORMATION

DePaul has played as expected this season with an even 3-3 record ATS.

For the second time this season, the Blue Demons are at least a 9.5-point underdog, where they have a record of 1-0 against the spread.

The Blue Demons and their opponents have regularly failed to covered the total points bet this season, doing so in 33.3% (2) of their six games played.

The Blue Demons lost 67-53 to Butler in their last game on Tuesday. Kobe Elvis totaled a team-high 12 points in the loss. They were favored by 2 points and didn't cover the spread, and the teams combined to go under the 134 point total.

Against the Spread (ATS) records are only reflective of games that had odds on them.

TOTAL FACTS

Marquette and its opponents have hit the over on Saturday's 142 total in seven out of 14 games (50%) this season.

In DePaul's games this season, the competing teams combined for a higher point total than Saturday's matchup over/under in four out of seven matchups (57.1%).

Together, the two teams combine for 143.5 points per game, 1.5 points more than the total of 142 for this game.

The 142.5 points per game these two teams allow to opponents on average this season are 0.5 more than the 142 over/under in this contest.

On average, the Golden Eagles have seen a 142.6 over/under in their games this season, 0.6 more points than the over/under in this matchup.

The over/under for this contest is 1.3 points fewer than the average over/under in Blue Demons games this season (143.3 points).
