

Used materials It's logic!

All parts are available on Aliexpress and probably in your spare parts bin.

The used parts are not critical, almost any part can be used.

		
2x 5V DPDT relay	2x momentary switch	3x on-off-on switch
		
(single sided) PCB 70x90mm	4x 2181AS common cathode	2x 3mm red LED
		
1x 5mm red LED	25x 7-segment resistor 300Ω	3x red LED resistor 2,2KΩ
		
51x diode 1N4148	1x micro USB break-out board	4x M3 15mm female standoff
		
4x rubber feet 11x9x6mm	4x 8mm M3 washer	8x 8mm M3 bolt
