

## Kiss The Girl (from The Little Mermaid) w/Modified Lyrics (Changes highlighted in Green)

There you see her  
Standing there across the way  
She got a lot to say  
And There's something about her  
You know exactly why  
So you're dying to try  
You wanna ask the girl

Yes, you want her  
Look at her, you know you do  
It's possible she wants you too  
There is one way to ask her  
It only takes four words  
Four little words  
Go on and ask the girl

Sing with me now  
Sha-la-la-la-la-la  
My, oh, my  
Look at the boy too shy  
He ain't gonna ask the girl  
Sha-la-la-la-la-la  
Ain't that sad  
Ain't it shame, too bad  
You gonna miss the girl

Now's your moment  
standing in your meeting place  
Boy, you better give her chase  
No time will be better  
She don't say a word  
And she won't say a word  
Until you ask the girl

Sha-la-la-la-la-la  
Don't be scared  
You got the mood prepared  
Go on and ask the girl  
Sha-la-la-la-la-la  
Don't stop now  
Don't try to hide it how  
You wanna ask the girl  
Sha-la-la-la-la-la

Dance along  
Listen to the song  
The song say ask the girl  
Sha-la-la-la-la-la  
Music play  
Do what the music say  
You wanna ask the girl

You've got to ask the girl  
Why don't you ask the girl  
You gotta ask the girl  
Go on and ask the girl
