WARRANTY COVERAGE

Your Junk-Phonic 9000 is covered against:

- ☒ Buttons that appear to do something but don't
- ☒ Bass levels that are technically unnecessary
- ☒ Speakers that visually move more than they physically need to
- ☒ Excessive amounts of retro nostalgia
- ☒ Accidental impressing of friends

THIS WARRANTY DOES NOT COVER:

- ✗ Neighbours complaining about your "massive" bass
- ✗ Your cat hiding when the speakers pulse
- ✗ Loss of hearing caused by pretending it is 1994 again
- ✗ Attempts to install Windows 95 on the device
- ✗ Using the boombox to contact aliens
- ✗ Damage caused by excessive air guitar
- ✗ Saying "back in my day, music was better"

IMPORTANT SAFETY INFORMATION

Before operating your Junk-Phonic 9000:

1. Ensure your hairstyle is sufficiently 90s.
2. Put on your brightest shell suit.
3. Check that nobody important is trying to sleep.
4. Turn the volume slider slowly. (Even though it probably does nothing.)

EXTENDED "PREMIUM" WARRANTY

For an additional payment of:

£0.00

you automatically receive:

- ★ Lifetime emotional support
- ★ Unlimited bragging rights
- ★ A certificate proving you own something nobody else understands
- ★ Permission to say "It's a retro-futuristic audio experience"

TECHNICAL SUPPORT

Before contacting support, please try:

1. Turning it off and on again.
2. Refreshing the webpage.
3. Blaming the browser.
4. Blaming the internet.
5. Blaming the person who clicked the button.

If all else fails:

Make a cup of tea and pretend it was a feature.

FINAL LEGAL NOTICE

Junk-Phonic Industries accepts no responsibility for:

Excessive enjoyment.

Unexpected nostalgia.

Sudden urges to buy a leather jacket.

- Dancing badly in your living room.
- Explaining to younger people what a cassette tape was.

The Junk-Phonic 9000 is supplied "**AS-IS**", "**AS-LIKELY**", and "**AS-FUNNY-AS-POSSIBLE**".

No refunds.

No exchanges.

No apologies.
