

ELON UNIVERSITY'S ROCKET TEAM

AN ATTEMPT TO REACH 10,000 FT

In the summer of 2018, the team plans to enter ESRA's Intercollegiate Rocket Engineering Competition (IREC) and the Spaceport America Cup (SA Cup) in New Mexico.

MAKER HUB KICKBOX: E-BAY

Through receiving an Elon Maker Hub KickBox, the team has been able to improve their full-scale competition rocket's electronics bay. The e-bay currently contains a StratoLoggerCF Altimeter and a 100mW 70cm BeeLine GPS100mW 70cm BeeLine GPS.
